Metal Craft Industries UK Ltd

For many years **Metal Craft Industries UK Ltd** have been involved in finding solutions for the replenishment and management of stock in both the food and non-food retail sectors. Through our own extensive research and working with clients we have developed our '*Stock Replenishment*' Collection to both assist and complement stock movement activities within these sectors. The products listed below and the information sheets contained in this pack will help you to identify which type of trolley is required within a certain area or function in your business. For further information and assistance please call us on +44 (0) 1933 440573 - we look forward to receiving your call.
